Action packed montage with Afghanistan war images intercut with action shots of our hero ASHLEY TALIBANFIELD lifting her veil.

2 EXT. BARREN AFGHANISTAN LANDSCAPE

2

ASHLEY TALIBANFIELD Ashley Banfield's twin, a swashbuckling flirtatious reporter with a Taliban bias and a knack for sensationalism, wearing a full length Berca, is caressing the chest an Arab with a black TURBINE and his MACHINE GUN, cooing him.

(he clears his throat)

ASHLEY

We're on?

The camera pans the landscape panning off of Ashley, she enters frame, with her Black Berca on. Lifting the veil in her signature move, she approaches camera

ASHLEY (CONT'D)

Welcome to terror in Afghanistan,
I'm Ashley Talibanfield reporting
live. Tonight we're going to show
you some of the highlights of today's
journeys.
Our official Guide was able to gain
access for us to interview some of
the players in today's battle here
in Kandlehar...

ABU an ugly looking Taliban Militant posing as an interpreter armed with a machine gun a machete and a big switch, steps into the picture and glares at Ashley

ABU

Kan-dah-har...

He points to her berca and motions her to put it on, she misses the gesture.

ASHLEY

...but first today's top stories The
hunt for our...uhm..

ASHLEY (CONT'D)
 the local hero Osama Bin Laden
 continues...The northern alliance
 holds tourists and journalists
 prisoners accusing them of being
 Taliban fighters...we'll be taking
 you there and have many more exclusive
 coverage in today's edition of Terror
 in Afghanistan...

Ashley starts heading out of frame pointing to the ground.
 There is a large crater with debris and a marked can labeled
 RICIN

ASHLEY (CONT'D)
 But first I'd like to show you the
 atrocities caused by this war on
 terrorism. This hole is what used
 to be a simple watering hole for the
 local Taliban. Here they say they
 would get together, play games, sing
 and discuss how they could convince
 Osama to give himself up...and look

Camera pans to close up of a canister labeled Ricin.

ASHLEY (CONT'D)
 According to our interpreter, the
 lovely ABU...

Camera pans over to ABU eyeing the Ricin, he then realizes
 he's on camera and smiles innocently.

ASHLEY (CONT'D)
 all that's left is this little can
 of Rice...a tragedy in this region
 where famine runs rampant...tell me
 Abu Habba habba Rabnu...about what
 happened to your little corner pub
 as we would say...

The Talib reaches in takes the can and hides it behind his
 back.

ABU
 Bell we would sit here, play checkers,
 and den we would go help de peoples
 dat are starving here in avganiztan.

ASHLEY
 The Pentagon claims this was a
 biological weapons factory and that
 Al Queda leaders would meet..

ABU
oh.. Day lie...we are Islam...see
peace...now just a hole...

A Toyota with a group of Taliban drive into the pit..

DRIVER
Abbba id doo yabba yaba du dabba
rabanannaba?

Abu listens to the driver then retorts pointing up to the sky and mimes the explosion, then tosses him the Ricin

ABU
Yabba yabbo big badda boom...up

Abu looks back and tries to block the cameras view. In the hole someone digs his way out of a cave.. It's Osama, he's put in the truck and they drive away. In the BKD A lone taliban is running to catch the Toyota, one of the soldiers just shoots him.

ASHLEY
So you see, bombs are falling but
are they falling on the right targets?
Later in this show we'll reveal the
other atrocities that no other network
has the balls to report...

Ashley turns away from camera to join Abu, she caresses his chest. He hit's her with a switch.

4 EXT. BARREN AFGHANISTAN LANDSCAPE

4

Ashley is back with the stud Taliban interpreter, he is chastising her for not wearing her veil. She pulls it over her head.

ASHLEY
All right already...

She approaches camera wearing her veil

ASHLEY (CONT'D)

Welcome back to Afghanistan, home of the Taliban I'm Ashley Talibanfield with the latest here in this war torn region in conflict. Earlier today we got the chance to talk to some of alleged Taliban prisoners being held here in Kandahab and this is what they said

CUT TO:

5 INT. PRISON CAMP

5

The large trash dumpster sits in an empty parking lot. A beat up Volkswagen bus sits nearby. Two shaven Afghans are guarding the dumpster but keep looking up to the sky.

Ashley is walking to the dumpster, she eyes one of the guards with disgust

ASHLEY

Well, we're here about 20 miles north of Kandlebar and in a few moments we'll find out just who these...rebels are actually holding prisoner. According to the Pentagon
(huh)
They are allegedly Taliban fighters...
(righteously)

Ashley lifts up her berca and puts on a black turbine and another veil. She gets a lift up to the edge of the dumpster and peeks her head over.

ASHLEY (CONT'D)

So as you can see the conditions are...dumpy...and these guys hardly resemble fighters...just look at these poor poor boys...

ASHLEY (CONT'D)

Are you a Taliban fighter?

The cameraman's POV as he climbs into the dumpster with Abu. Ashley falls over into the waiting arms of an amorous Bearded Taliban

ABU

Yabba yabba yabba rub nub did babba?

She turns to one of the prisoners an Arab with a red checked turbine, then quickly pulls down her Berca, and looks to ABU for his approval

PRISONER

We are all journalists and tourists...

ASHLEY

Journalists and tourists...how about you?

ARAB

I'm a pilot here on a humanitarian mission...

ASHLEY

I see you still have your gun and that nice hand grenade? Did you surrender or did they capture and torture you?

ARAB

We'll never surrender...I mean...we were hijacked by the Americans...then tortured yah.. Bad amereecans

ABU

Prisoners keep their weapons for protection here in avghanistan...deer is a war here you know...

A bomb explodes off camera

ABU (CONT'D)

Death to the infidel...

He shakes his fist to the sky. He hands a couple of grenades to the prisoners.

ANGLE ON ASHLEY WITH PRISONERS IN BACKGROUND

The prisoners are helping each other out of the dumpster. We hear gunfire

ASHLEY

These poor innocent prisoners captive of a vindictive Northern Alliance...victims of this turbulent war on terrorism.

CUT TO:

6 EXT. PRISON CAMP WITH A LARGE TRASH DUMPSTER -- AFTERNOON

6

Ashley is now outside the dumpster with her berca on

ASHLEY

Well with the help of our interpreter we were able to free the innocent prisoners...We had the chance to interview one of the prisoners ACCUUUSED of being a suicide soldier delivering biological agents. Highly trained and driven by faith these hero's are the mis understood by the US in the west.. When we come back we'll visit these heroes who sacrifice their life for Islam.

8 INT. A CAVE INTERIOR

Ashley traipses through the cave, tripping on her berca, gravel and dirt are sprayed into a group of Taliban huddled around a map and an old fashioned bomb. She glances over

ASHLEY

Ooops sorry guys.

She turns to camera IN THE BACKGROUND The men get their sticks out, and reveal Osama sitting there, they reconsider striking her and try to hide Osama's face from camera then scurry away in the background trying to hide from the cameras view.

As she approaches the camera, JIHAD JR is pushed into frame by ABU

ASHLEY (CONT'D)

We're here with Muhomma baba raba num abu nabu nibizt larnin jihad jr. in a secret cave somewhere outside of Jalalaville...Muhomma will be telling us what it's like to be a martyr for Omar the Mullah and his pal Osama bin llama

They walk left as the camera pans with them revealing barrels marked Anthrax, Ricin, Ebola

ASHLEY (CONT'D)

And so you admit to being a suicide martyr?

ABU

Baba labbal marabu martyr to America?

MUHOMMA

Oh yes, it is my duty...and the duty of every Muslim...Jihad Jihad Jihad

ASHLEY

How long have you been a martyr?

MUHOMMA

ASHLEY

What exactly are you trained to do?

MUHOMMA

He nods

ASHLEY (CONT'D)

Muhomma, just how are you going to fulfill your duty to Islam and Osama dolly llamma?

MUHOMMA

I take this bottle of biological poison like this...dis is...uh.. I can't read but this is the poison...I take it..

Ashley takes the bottle of Anthrax from Muhomma and examines it then holds it up for the camera.

ASHLEY

Anthrax, the same poison that somehow has found it's way into our mail back home...

MUHOMMA

No no we don't sent it in de
mail...because...we put it in the
glue on the stamps...

He opens a jar labeled Anthrax and takes a mouthful and chews
it...

MUHOMMA (CONT'D)

I take about dhis much...Den I run
into a crowd of de
infidel...Amereecans...and I
say...Allah dolly Llama Osama's

ASHLEY

Alla dolly llama Osama mama falafel

ASHLEY (CONT'D)

But, Anthrax isn't contagious is it?

MUHOMMA

No not at all...

He smiles

ASHLEY

But...you just inhaled enough for
what 100 thousand or so?

MUHOMMA

I get 7 virgins you know...and rivers
made of wine...

Ashley walks to camera. Muhomma is in the background gagging,
Another martyr walks in takes the jar and takes some himself.

ASHLEY

You see it first hand the courage of
the Taliban fighters, fighting only
for the right to practice the peace
loving religion of Islam.

MARTYR 2

I vant Amereecan virgins!

Ashley turns and looks at the two gagging martyrs, looks
back as if she's so proud of them. The sound man enters the
scene with a jar of CIPRO. Ashley takes a few.

There is a scurry behind the barrels and figures sneak
out...the camera follows them and we see a silhouette of

Osama and his band peers from the shadows. Osama pulls his hair and the band ushers him out.

9 EXT. A MOSQUE -- AFTERNOON

9

Ashley picks up a spent mortar shell

ASHLEY

It's also reported the US Bombs hit a building here.. They say was a Taliban weapons storage...The local people tell us it was nothing but a fireworks factory, fireworks to celebrate 4th of July. They are disappointed that the USA was so impatient that they couldn't wait until the holiday to enjoy the fireworks... And look, debris from the explosion almost hit this holy mosque and the wonderful men inside...

A group of black turbaned terrorists race out of the Mosque with rocket launchers and a donkey.

ASHLEY (CONT'D)

Around the city it's more destruction, we'll show you later just how much...early today we witnessed more damage firsthand at the Handlebar Airport here in Jalalland... Just around the corner is the Kardigan Zoo...

ABU (O.S.)

Kandaahhhhhar...you will listen woman..

CAMERMAN

Hey...

Camera pans to ABU holding an UZI pointed right at the lens, the camera pans back to Ashley quickly.

ASHLEY

11 EXT. BOMBED AIRPORT RUNWAY -- AFTERNOON

11

The old airport is nothing but a big empty field

Ashley is walking in the distance in full length Berca, as
 she gets close she pulls up the berca into a Turbine.

ASHLEY

Welcome back to Terrorists ...uhm..
 Terror in Afghanistan...I'm Ashley
 Talibanfield...I'm standing in what
 was the Kabulhar

ABU

KANDAHAR!

ASHLEY

Kandahal Airport.

She picks up a small piece of metal

ASHLEY (CONT'D)

This is all that's left of the Royal
 Taliban Airforce after US Bombing
 raids demolished their only means of
 defending themselves against the
 aggression in the air. As you look
 around

The camera pans the barren zone, ABU stands nearby with his
 switch and his Rifle.

ASHLEY (CONT'D)

You can see the devastation. The
 attack basically rendered this airport
 useless and certainly put a stop to
 any international flights leaving
 Afghanistan. This could cause even
 more economic despair in an already
 impoverished economy by basically
 cutting of the ability to export

CAMERMAN
 Isn't it the heroin crop?
 (he interrupts)

ASHLEY
 Poppy is the regions largest
 agricultural crop and what comes
 from Poppy plants... POPPY SEEDS!
 (firmly and pissed)

ASHLEY (CONT'D)
 heroin.. humph
 (she scoffs)

She regains her composure and starts to put her Berca back
 on as ABU Approaches with his stick.

ASHLEY (CONT'D)
 Earlier today we had the privilege
 of seeing the place where all of
 this trouble allegedly began...the
 secret liar of the Al Queda. It was
 a rough ride, the crew and I rolled
 into carpets to be carried there in
 secret and here's what we got...

12 INT. A CAVE INTERIOR -- AFTERNOON

12

Ashley is walking inside one of the Caves

ASHLEY
 Our trusty interpreter ABU has taken
 us to one of the secret hideouts of
 the Al Queda leadership. It's said
 that many of the biggest freedom
 fighting events, some call them
 terrorism, have been planned from
 this very spot-----

As she walks she walks into a group of Taliban and Osama
 huddled around a map on the floor, they have inflatable dolls
 and a big opium pipe. Osama looks to his aide, and they
 start to hide him and sneak him out.

ASHLEY (CONT'D)
 Here in these cozy caves they enjoy
 all the comforts of home, it's safe
 and best of all, it's hidden!

She turns to one of the Taliban

ASHLEY (CONT'D)

So when you're here after a hard day
at the airport...building bombs or
whatever...do you get a sense of
peace?

The man angrily yaps some gibberish

TALIBUTT

Sahid, jihad, jihad, sahid maki
abdulla bualls bitch..

ABU

He say he kill amereecan bitch

ASHLEY

Did you tell him I'm with you? Oooh

In the background, Osama peeks back from around the corner
with a gun pointed at Ashley, he is pulled back. She puts on
her Berca

ASHLEY (CONT'D)

When we return, just what this war
has done to the Zoo. Atrocities in
the zoo.

ABU is shaking his head, he holds up the whip..She responds
to ABU turned on by his macho whip...

ASHLEY (CONT'D)

I'm just told we'll have to leave
the same way we came in, inside magic
carpets...Abu...are you going to
ride with me again?

13 EXT ZOO

13

There is nothing but a couple of mounds of dirt in what used
to be the zoo

The crew is setting up, Ashley wearing her Berca is looking
at her legal pad, she looks to camera and nods

ASHLEY

Welcome to the Kabul a sheriff zoo,
I'm Ashley Talibanfield. Today we're
going to look firsthand at the
devastation that's happened here at
the zoo over 8 years ago from another
war...as you look around you can see
there's not much here...wait.. I
think I see a zookeeper

From behind a dirt pile a taliban militant peeks to see what is happening, Ashley is racing over. She corners the man

ASHLEY (CONT'D)

So you're a zoo keeper here

ABU

Yadda abu jihad MSNCC

MILITANT

yah...zookeeper and I'm a tourist...

ASHLEY

A tourist, taking the time to care for what's left of the Kabul Zoo...are there any animals or did those bad Northern Alliance come in and kill them all for food?

Subtitles over militants comment that say...What the fuck is this american slut doing here?

MILITANT

Yibberish, jihad yadda bu abu dumb bomb bomb..

ABU

He say De Amereecans kidnapped the animals then ate them...even pigs...but there are some on the other side of the zoo...

Ashley goes to look where ABU is pointing

In the background, Sandheads are waving someone on. Osama Bin laden sneaks out behind. A bullet shoots off his turbine, it falls off, he's bald. They scurry away

CAMERMAN

Oh Ashley princess...

ASHLEY

No time...this is big, let's go find the animals, see if any have been used for testing for cosmetics or something...

The camera stays on the scurrying bunch of Militants as they get into a Mercedes and a Winnebago and peel off.

14 EXT. A HILLTOP TALIBAN MILITARY POSITION

14

Ashley is ready to deliver her on camera pitch

ASHLEY

An now more terror in Afghanistan,
this is Ashley Talibanfield, tonight
we
(she stops)

In the Background US Soldiers peek over the hill, an Attack
helicopter rises over the bluff, Several US Special Ops are
hauling Osama away by his limbs, he is shouting:

OSAMA

Jihad jihad, death to infidels, jihad
jihad jihad...

She's interrupted looks at the soldiers and scoffs back to
camera

ASHLEY

Well just like this war, meddling
American soldiers

A small band of US Special forces pick up Ashley, take her
Berca and put her in the helicopter.

15 EXT. HILLTOP CREST

15

The helicopter takes off, Ashley is hanging from the open
door, guns are firing, she yells out

ASHLEY

ABU, my ABU...

ON THE GROUND

ABU looks up in bewilderment and then looks to cameraman, he
points his gun at the camera, when more special Ops capture
him

CAMERMAN

Jihad this...
